

Valued Ford Supplier,

Thank you for choosing Edibar Systems, Inc. (ESI) as your guide through the Ford Label Certification process, we appreciate your business. Certifying your Ford labels is an important and easy part of being a Ford supplier. Our Label Certification Group will carefully examine each label you submit and evaluate approval according to Ford's Label Specifications.

Label certifications typically take up to 3 business days or less from receipt of payment.

Important information you must know

- You may submit your labels via emailed PDF in order to expedite the process but **you must also send a physical hard copy of the labels in order to receive final approval.**
- The testing fee will be \$75 per label type: one container label = \$75, one mixed label = \$75, one master label = \$75, and one mixed-master label = \$75.
- The initial fee includes one hard copy re-submission should any of your labels fail testing. Required". Any further submissions will be treated as a new certification request.
- Fee for Certification must be paid by credit card, or International ACH.
- If your Company requires Vendor Setup paperwork, an additional \$25 accounting fee will be required.
- You must print and fill out the Ford Label Certification Form (attached document) for EACH label being submitted.
- Once all forms are filled out please mail to:
